

PETITION FOR THE PRESERVATION OF HILL DOMINANCE

A petition of the UP WITH HILLS campaign.

Addressed to the citizens of San Francisco
and Mayor Gavin Newsom.

WE THE UNDERSIGNED WOULD LIKE TO BRING YOUR ATTENTION TO THE FOLLOWING PROBLEM, WITH RECOMMENDATIONS:

The DOWN WITH HILLS campaign *must* be stopped!

Right now the DOWN WITH HILLS campaign is urging San Francisco citizens to abandon our unalienable right to hill supremacy – by eliminating hills, they contrive to ‘level the playing field’ essentially creating a nihilistic communist state in our beautiful home. Citizens everywhere, and especially Mayor Gavin Newsom needs to hear from you today, or the control of our diverse city elevation will fall into the hands of this new threat to peace and freedom.

Pundits for the DOWN WITH HILLS campaign are already trading favors for support of their ridiculous plan to level the gorgeous hills of our fair city. The voices of all hill dwellers must be heard – when you sign this petition, you add your support to the continuation of our proud tradition of hills over valleys. Sign now to send a clear message to Mayor Newsom and the citizens of San Francisco:
